

第二届塑性与冲击国际会议 会议通知

The ISPI'01 (International Symposium on Plasticity and Impact 2001) was held in Zhuhai, China on 28-30 December 2001, dedicated to Professor YU' s 60th birthday, was a great success. All the participants in that event had an excellent academic gathering. We are now pleased to announce that the Second International Symposium on Plasticity and Impact (ISPI' 09) will be held in Beijing, China on October 23-25, 2009. The Aim of ISPI' 09 is to bring together students and friends of Professor Yu and review, discuss, and exchange ideas involved in plasticity and impact engineering, and to present their latest findings, as well as dedicated to Professor YU' s retirement from the Hong Kong University of Science and Technology.

Blue Print for the ISPI' 09

1) Conference Name: The 2nd International Symposium on Plasticity and Impact

2) Tentative Dates: October 23-25, 2009

3) Venue: Beijing

4) Co-Sponsors: Beijing University of Aeronautics and Astronautics

Hong Kong University of Science and Technology

5) CO-Chairman:

Professor Tong Xi Yu, Hong Kong University of Science and Technology

Professor Jia Ling Yang, Beijing University of Aeronautics and
Astronautics

Professor Ya Pu Zhao, Institute of Mechanics, Chinese Academy of
Science

Professor Qing Zhou, Tsinghua University

6) Organizing Committee

Chairman: Jia Ling Yang, Beijing University of Aeronautics and
Astronautics

Members: Most of you

Secretariat: Miss Hua Liu

7) Papers: Invited or submitted for presentation, written in English

8) Proceeding Publication: Informal publication of full papers / or formal
publication of full papers if funding is raised

9) Areas Covered:

- u Engineering Plasticity
- u Dynamical Behaviour of Materials
- u Structural Impact Dynamics
- u Energy Absorption of Materials and Structures
- u Crashworthiness and Safety Technology
- u Composites
- u Nano- & micro- Mechanics
- u Applications of Plasticity
- u Experimental Technology
- u Numerical Simulations
- u Others

10) Anticipated number of participants: ~ 60 mainly from:

Overseas: UK, USA, Australia, Singapore, Japan, Korea, Hong Kong,
Taiwan

Mainland China: Universities and Institutes

11) Important Dates:
